PICNIC ON THE GREEN – SUNDAY 11TH JULY FROM 1PM

LIVE BANDS, DANCERS, RAFFLE, TREASURE HUNT, ICE CREAMS

Our 5th, long awaited "Picnic on the Green" is finally happening!!

So, bring your family and friends, food, drinks, chairs, table, gazebo and we'll see you there for a brilliant community get together celebrating friendships and community spirit!

Things will have to be a little different this year, which we are all used to in our daily lives, so please bear with us. However, the Picnic will, as always, be a lovely, fun afternoon out for everyone on our wonderful 'green'.

Volunteers will be made very welcome from 10am on the day to help set up and/or at the end of the afternoon to pack away.

Please note that we are planning for our event to take place, Covid restrictions allowing, but unfortunately, in the unlikely event of rain, it may be cancelled/postponed and please do remember that if you have a new, persistent cough, a temperature or any other Covid-19 symptoms then please do be considerate and give it a miss!

As always, the latest information can be found on our Facebook page:

Jazz on the Green

A massive thank you to Tony Kofi's Inside Straight band, and local resident, Adrian, for making the free event, Jazz on the Green, happen in June. It was great to hear music on the Green, which is a fabulous outdoor venue. It was in association with Derby Jazz, too! <https://www.derby-jazz.co.uk/>

St. Paul's Church

We've been enjoying being able to worship in the building together on a Sunday morning again. All are welcome to attend our service at 10am, no need to book, but face masks are required (unless you are exempt). We would love to see you!

LITTLE CHESTER HISTORY SOCIETY

Once the current Covid regulations are lifted, it is hoped the Society will return to its regular meetings in the Centre. I hope to have an informal meeting with all members during the Summer so that we may discuss the future and have an opportunity to socialise together. I look forward to seeing everyone again.

THOUGHTS FROM A LOCAL RESIDENT:

We received this letter from Mark Davis, a local resident. Do you agree? Have any ideas?

“Recently I have spent more time walking around, our local area, and I have to admit I'm amazed how much effort is put in by so many people to make Chester Green an absolutely amazing place to live. This week I walked past the end of the Bliss' carpark and noticed the new planting that had been done by the council, it is so pleasing to see the effort they have put into making it look great.

The work on the cricket pavilion on Parker's Piece again adds to our area, it is great to see it coming back to its former glory again.

All of this makes the rusting metal cap on the top of the floodwall on the footpath towards Handyside Bridge even more irritating and distressing. It looks so unfinished and yet I am assured that it is. I don't understand why it's been left to look like that, and surely it will only get worse.

If you feel the same as me, let's see if we can make it look better. What would improve it? Paint it? Use it as a local art project? We can surely make it worthy of Chester Green, rather than a blight.”

SEVENTH-DAY ADVENTIST CHURCH

Hi - we're the Philpotts, and we're delighted to have joined the Chester Green Seventh-day Adventist Church (Mansfield Road) as the pastoral family.

We consider ourselves a regular family. We enjoy experiencing new foods and cultures, taking walks with the little one, and spending time with good company.

Whilst Joe is the pastor of the church, Nordia's a psychotherapist and provides counselling to those struggling with their mental health. And Keira, our 1-year old? Well, she likes pulling apart daddy's books. The more pieces she tears pages into, the more enjoyment she gets!

As society returns to some form of normality, we're looking forward to being better acquainted with the local community.
